

OFFER FINLAND STAND DMEA 2024

The Digital Health Industry Exhibition DMEA in Berlin will be visited by administrative directors, doctors and nurses from German, Austrian and Swiss hospitals, clinics and medical institutions. The DMEA trade fair offers a broad overview of the technologies in the industry. Exhibitors will showcase digital solutions for health and healthcare. In 2023, more than 16000 professionals visited the exhibition. The 2023 event featured more than 700 exhibitors, 13 of whom were from Finland. The number of exhibitors increased by 40% from the previous year and the number of professional visitors increased by up to 45%. The next event will be held on 9. – 11.4.2024.

We invite you to the DMEA fair at the Finland stand. The Finland joint stand provides an excellent starting point for getting resonance from the market and acquiring leads. The stand is advertised separately in marketing material aimed at visitors, such as hall maps and the DMEA newsletter.
